**A 50% deposit is required with every order. Please contact Gary Thomas on 0418997730 to ascertain the availability of the numbers you require.**

#### ORDERING REQUIREMENTS

- Enter the number, variety and clone required on the official order form, also note any special requirements on the form eg. Preferred method of freight.
- Only order the varieties as listed on the supplied variety and clones list.
- Cuttings will only be supplied in multiples of 100 per variety/clone, the minimum order is **100 cuttings per variety**.
- The minimum value of any order is \$100.00.
- 
- Retain the Pink copy of your order for your records. Send the White copy to VAMVVIA.

#### VAMVVIA PRICE LIST – 2010 CONT:

- The GST component is only payable on payment of the balance of the invoice after the goods and services have been provided..
- Dishonoured cheques must be honoured on second presentation to the bank. Penalties incurred for dishonoured cheques will be charged to the client.

**REMEMBER: All allocations are required to have 50% deposit sent to VAMVVIA ie. one order, one cheque**

**CANCELLATION OF ORDERS**

A processing fee of \$50 will be charged for orders cancelled after May 31, 2007. If the cancellation is made after the material has been cut, and the material is unable to be sold to another client the deposit will be forfeited.

**DESPATCH & STORAGE**

The Association does not provide a storage service for cuttings. All customers will be contacted as soon as cuttings are ready to be dispatched. In most cases cuttings will be delivered to the buyer within a maximum period of three days from being cut.(in the Sunraysia area)

**VAMVVIA PRICE LIST – 2010 CONT****DELIVERY OF CUTTINGS (outside the Sunraysia area)**

If you would like your material delivered, please fill out the relevant delivery details on the order form. If a freight company is not identified on the form we will use Australia Post. The purchaser will bear the cost of any delivery and will be charged at a minimum cost of \$25.00 Freight & Handling. Freight and Handling charges will be invoiced in the same way as the material forwarded to you. **Where a Department of Primary Industries (Plant Standards) permit is required for material leaving the Sunraysia area, the purchaser is responsible for obtaining the permit and forwarding the same to VAMVVIA.**

**COMPLAINTS**

As losses can occur during storage and propagation, the Association does not take on any responsibility for material once it has left the VAMVVIA premises. All material must be inspected thoroughly when picked up. Any faults in the material must be reported to the VAMVVIA office within seven (7) days of receiving the material. **All complaints must be lodged in writing and addressed to the General Manager.**

**ACCOUNTS**

Payment of accounts must be made within thirty (30) days of receiving your statement. **Overdue accounts will incur an interest charge after 60 days.** Clients with unpaid accounts will be registered with a debt collector, will incur costs associated with debt recovery and will not be supplied with cuttings until the accounts are finalised. At the discretion of the General Manager, clients who have been sent to the debt collector or with a poor payment history may be required to pay for the cuttings in full on or before receiving the material.

**PLEASE NOTE**

Some of the rootstock cuttings supplied by VAMVVIA are ex tissue culture and have not been fully evaluated in the field. VAMVVIA will not take any responsibility for the tissue cultured material if field-testing shows the material to be inferior.

**The Association encourages clients to follow instructions in the “Storage, treatment and propagation of grapevine cuttings” article. This information is available from the VAMVVIA office.**
